Mr. Paul A. Thomas

Dear Mr. Thomas:

This is in reply to your letter of February the tenth, 1950, which we received quite sometime ago. The chief engineer has made no effort to answer you so I thought I'd do him the favor of doing so.

This is to verify your report of receiving our broadcast on February the tenth, 1950, from 4:36 a.m. to 4:55 a.m. E.S.T. on 1400 kc. during our frequency check.

We sincerely thank you for the information provided us and also for writing to us. We hope you'll tune in each Second Friday of each month at 4:35 a.m. when we have our monthly frequency check.

Very truly yours,
