THIRD & FOURTH SUNDAYS

(none)

KEY TO SYMBOLS:

- @ - regular check per monitoring service
- o - regular check per station and/or constant reception
- T - station checks with tone
- t - station checks with dial tone
- M - station checks with music
- C - station IDs in Morse Code
- b - tone may run briefly during this time period

ACKNOWLEDGEMENTS:

A number of monitoring companies again cooperated with us this year in supplying their list of checks. They include Southwest, Northwest, Mid-Atlantic, FMS, SFMS, and Newman-Kees. Additional information was also supplied by Robert Kramer/CADX, and from the pages of both "DX News" and "DX Monitor." This column is a joint effort of both Dave Schmidt and John Malicky. Any updates and/or corrections should be sent to:
 John R. Malicky, 995 Shadycrest Rd., Pittsburgh, PA 15216-3023

Finally, this column is dedicated to Joseph Fela, who for many years alone, assembled Frequency Checks. Thank you Joseph!
